

COWICHAN AREA COUNCIL - BETA SIGMA PHI
Marilyn Lundstrom, Bursary Chair
#24 - 3101 Herons Way, Duncan, BC V9L 6Z4

January 22, 2020

Please be advised that the Cowichan Area Council of Beta Sigma Phi will continue to offer a bursary in the amount of \$500.00 to a student at your school in June, 2020.

As per our criteria for last year, we will be choosing our recipient based on need, marks and community involvement as this is more in keeping with the definition of a bursary as compared to a scholarship.

We will choose the recipient. This is done by a separate committee for each school in the district.

We will arrange for one of our members to present this bursary. In the event that we are unable to present in person, we will contact you well in advance so that the bursary can be presented by someone else at the graduation ceremonies.

I would like to remind you that we give to a deserving student and preference is given to a child, grandchild, niece or nephew of an active member of the Cowichan Area Council of Beta Sigma Phi, providing they meet our criteria. A cheque is issued when we receive proof of acceptance at their chosen post-secondary institution. The institution must be at the same level as indicated on the application. All the necessary information for collecting the bursary is included with the letter given to the student at the time of presentation of the bursary. This will be followed-up with a letter in August.
