August 29, 2022

Dear Parent(s) / Guardian(s)

Re: Off-Site Class Activity

Throughout the school year, from September 6, 2022 to June 23, 2023, the Grades 4 – 7 students of Lake Cowichan School may be taking walks or runs on the streets of our community to support some of the learning standards of the curriculum. These activities may include, but are not limited to, walking to the arena for skating or curling, cross country runs, going to the public library, etc.

Students will be expected to behave appropriately and follow the LCS Code of Conduct. While a reasonable duty of care will be provided, there may be an additional level of possible injury and, out of necessity, there will be times when a child is not under the direct supervision of any adult. Please also understand that travel of any kind involves the acceptance of a reasonable risk by parents, supervisors and the students themselves.

To allow for maximum flexibility for the learning environment, we are sending home one permission form for all of these walking activities.

Please Note: Field trips taken by school bus or private vehicle will require specific permission slips before students are allowed to participate.

Please fill out the form below and return it to the school by September 9 so your child may participate in these walking trips as soon as possible.

Respectfully yours

Ms Ashley Bell
Vice Principal
