Local & District Scholarship Descriptions

A variety of locally sponsored scholarships and bursaries are available to Lake Cowichan School (LCS) graduates for the school year ending in June 2022. Some Scholarships are chosen by the LCS Scholarship Committee. This scholarship committee attempts to match qualified students with the criteria laid out in each scholarship. If a suitable candidate is not found, the committee may make a choice based on successful academic progress, volunteering and post-secondary planning. Sometimes the award is simply not given out in a particular year due to unsuitable candidates.

Some important things to take note of:

- Scholarships/bursaries are subject to change without notice.
- All scholarship information is now on the school website at <http://lcss.sd79.bc.ca>. Go to RESOURCES / Scholarships & Bursaries.
- All criteria and special applications are listed with each award. If there is a special application, students are still required to complete the school general application. We are providing this booklet, so students have a paper copy to work with.
- There are, on occasion, awards that are not confirmed at time of publication. This will be indicated on school website.
- Please check website regularly for updates.
- There is information on school website detailing *exactly* what is needed to apply for all scholarships & bursaries.
- ALL applications will be handed in to school and NOT directly to donors. Any questions about specific awards can be directed to Mrs. Battye.
- We are here to help!!! If you have any questions or need support, please see Mrs. Battye and she will be happy to assist you!

Marilyn Lundstrom, Bursary Chair
#24 - 3101 Herons Way, Duncan, BC V9L 6Z4

January 22, 2020

Please be advised that the Cowichan Area Council of Beta Sigma Phi will continue to offer a bursary in the amount of \$500.00 to a student at your school in June, 2020.

As per our criteria for last year, we will be choosing our recipient based on need, marks and community involvement as this is more in keeping with the definition of a bursary as compared to a scholarship.

We will choose the recipient. This is done by a separate committee for each school in the district.

We will arrange for one of our members to present this bursary. In the event that we are unable to present in person, we will contact you well in advance so that the bursary can be presented by someone else at the graduation ceremonies.

I would like to remind you that we give to a deserving student and preference is given to a child, grandchild, niece or nephew of an active member of the Cowichan Area Council of Beta Sigma Phi, providing they meet our criteria. A cheque is issued when we receive proof of acceptance at their chosen post-secondary institution. The institution must be at the same level as indicated on the application. All the necessary information for collecting the bursary is included with the letter given to the student at the time of presentation of the bursary. This will be followed-up with a letter in August.
